**PTA GIVING TREE:** Helps give Greek & Sunday School students a richer learning experience! The PTA wishes to thank all those who participated in our “Giving Tree” kick-off fundraising event on Sunday, September 13<sup>th</sup>, where, thanks to your generosity, we were able to raise approximately \$800 for our Greek & Sunday Schools. These proceeds will help purchase a variety of items that will enhance our children’s learning experience such as maps, books, and art materials. As many of you may be aware, fundraisers such as this enable us to close the gap between tuition and costs and assist teachers in providing a well-rounded education for all of our children. If you were unable to attend the event & would like to give to our classrooms, kindly send your donation to the Church office, marked “Attention: PTA Giving Tree”. We look forward to your continued support!
